

Carting Lane Streetscape Improvements

Westminster City Council, together with Cross River Partnership, has improved Carting Lane

Construction dates: September 2010 – May 2011

These improvements included:

- Improving the appearance of Carting Lane and making it more inviting to pedestrians
- Refurbishing the last remaining, methane gas extracting lighting column in The City of Westminster
- Improving the link from Strand to Embankment
- Upgrading street lighting
- Reducing street clutter

Key points:	Work completed on time and within budget
