

St Martin's Cross Improvements

Westminster City Council has improved
conditions for pedestrians

Construction dates: April 2008 – November 2009

These improvements included:

- Increasing the footway areas to improve pedestrian movements
- Realigning the existing pedestrian crossings to meet user needs and behaviours
- Upgrading the street lighting
- Removing unnecessary street clutter

Key
points:

Work completed on time and within budget.

St Martin's Cross Improvements

Providing a cleaner, safer and brighter
environment for all users
