

# The Sanctuary and The Archway Streetscape Improvements

Westminster City Council has improved the streetscape in Westminster Abbey

Construction dates: June 2009 – Jan 2011

These works included:

- Widening and repaving footways with reinforced stone paving and new surfacing in The Sanctuary
- Installation of removable and permanent bollards on The Sanctuary and an automatic bollard in The Archway
- Resurfacing The Archway and repaving footways with natural stone paving
- Refurbishing the gas lamp columns
